At LiLLies Restaurant & Bar, it is our top priority to provide quality food, service, and to ensure the health and safety of our guests, staff, and community. We want to take this opportunity to inform you on what procedures we are putting in place because of the COVID-19/Coronavirus.

What we are doing:

- Closely keeping up with any new information or recommendations given by the CDC (Center for Disease Control) and the World Health Organization (WHO)
- Educating our employees on preventative measures provided by the CDC.
- Wearing masks and making sure customers are seated 6 feet apart
- Plenty of beautiful outside seating where social distancing is easily practiced
- Increasing the frequency and extent of our cleaning practices, such as additional disinfectant wipe downs of all hard surfaces including the kitchen, bathrooms, bars, and dining rooms.
- Implementing heightened sanitation and hand-washing procedures for all employees.
- Telling our staff if they have even the slightest of viral symptoms to stay at home.
- We are also providing CURBSIDE PICK-UP for food!

What we encourage our guests to do:

- Wash your hands frequently.
- Avoid close contact with people who are sick.
- Stay at home when you are sick.
- Wear mask when moving about the restaurant, when seated you may remove your mask.
